♩ = 115

1. God's sov - reign grace to us has given,
2. With thank - ful hearts we now can bid
3. 'Tis now con - cealed and lodged se - cure
4. Then, Lord, re - move what - e'er di - vides

While pil - grims here be - low,
Fare - well to plea - sure here ;
In God's e - ter - nal Son,
Our long - ing souls from Thee ;

A share in all the joys of heaven,
With Christ in God our life is hid,
And there, as He, it shall en - dure,
'Tis fit that where the Head re - sides,

And that blest heaven to know.
 And all its springs are there.
 Though to the world un - known.
 The mem - bers' hearts should be.
