1. Lord, while we wait the mo - ment When we shall see Thy face,  
 2. And yet while in the de - sert, What les - sons do we learn,  
 3. And oh, what loud thanks - giv - ing Shall fill that home of love,

We dai - ly prove the sweet - ness Of Thy sus - tain - ing grace ;  
 As on our home - ward jour - ney Thou mak'st our hearts to burn !  
 As we sur - vey the path - way Which led to Thee a - bove !

Yea, dai - ly find the com - fort Of Thine un - fail - ing love,  
 The liv - ing wa - ter flow - ing From life's pe - ren - nial spring,  
 There in the light un - sul - lied We'll see how great Thy care,

Till we shall know its ful - ness When with Thee, Lord, a - bove.  
 The dai - ly man - na com - ing, Fresh prais - es dai - ly bring.  
 Which watched our ev - ery foot - step, Till we Thy rest should share.
