

Lord, while we wait the moment

(ELLACOMBE. 7.6.7.6.D.)

$\text{♩} = 100$

1. Lord, while we wait the mo - ment
 2. And yet while in the de - sert,
 3. And oh, what loud thanks - giv - ing

When we shall see Thy face,
 What les - sons do we learn,
 Shall fill that home of love,

We dai - ly prove the sweet - ness
 As on our home - ward jour - ney
 As we sur - vey the path - way

Of Thy sus - tain - ing grace ;
 Thou mak'st our hearts to burn !
 Which led to Thee a - bove !

Yea, dai - ly find the com - fort
 The liv - ing wa - ter flow - ing
 There in the light un - sul - lied

Of Thine un - fail - ing love,
 From life's pe - ren - nial spring,
 We'll see how great Thy care,

Till we shall know its ful - ness
 The dai - ly man - na com - ing,
 Which watched our ev - ery foot - step,

When with Thee, Lord, a - bove.
 Fresh prais - es dai - ly bring.
 Till we Thy rest should share.
