

O God of matchless grace

(LIEGE. 6.6.8.6.8.8)

$\text{♩} = 100$

1. O God of match-less grace, We sing un-to Thy name ;
 2. 'Tis meet that Thy de-light Should cen-tre in the Son,
 3. E-ter-nal is our rest, O Christ of God, in Thee ;

We stand ac-cept-ed in the place That none but Christ could claim ;
 That Thou shouldst place us in Thy sight In Him, Thy Ho-ly One ;
 Now of Thy peace, Thy joy, pos-sessed, We wait Thy face to see ;

Our will-ing hearts have heard Thy voice, And in Thy mer-cy we re-joice.
 Thy per-fect love has cast out fear ; Thy fa-vour shines up-on us here.
 Now to the Fa-ther's heart re-ceived, We know in whom we have be-lieved.
