$\text{♩} = 95$

1. We praise Thee, our Fa - ther and God,
 2. We praise Thee that once He ap - peared
 3. We praise Thee His work is com - plete,

For the Son that came down from the throne,
 To put sin for e - ver a - way
 And He has been raised by Thy hand,

For Thy Spi - rit that Thou hast be - stowed
 By Him - self, as the Vic - tim that bled
 While in right - eous - ness Thee we can meet,

To tell us what Je - sus has done.
 For us who had all gone as - tray,
 And ac - cept - ed be - fore Thee we stand.

4. We praise Thee that now by His blood
 He has entered for us into heaven
 To appear in the presence of God,
 Since the veil by Thy hand has been riven.

5. We praise Thee that Jesus is near,
That He in His glory will come ;
For salvation He soon will appear,
His waiting ones all gathered home.
